

About Dr

Dr. Prashanth R Reddy is a reputed and a respected E.N.T. & Endoscopic sinus and skull base surgeon from Bangalore who is heading a team of E.N.T health professionals.

He has completed his M.B.B.S & M.S. (E.N.T) from Bangalore Medical College. He has been providing high standard Medical and Surgical care for decades to his patients located across the world. His training was at the prestigious Jain ENT hospital at Jaipur, under the mentorship of Prof Dr Satish Jain. He has a Fellowship in Rhinoplasty from Seoul, South Korea, under the mentorship of his professor Dr. Dong-Hak Jung.

There are a lot of different doctors who do the regular ENT procedures, sinusitis inflammatory procedures, but Dr. Prashanth is a Rhinologist with a lot of experience in taking care of patients with sinuses. He has done his fellowship for an extra year after his residency in ear, nose and throat surgery, where he learnt extra surgical techniques and management of patients with sinuses, and this is what separates him from the other ENT doctors out in the community. Also there are a few handful of such doctors in Bangalore who have this training in Rhinology.

Dr. Prashanth is known for his novel approaches and special way of treating his patients. Several prestigious newspapers also covered the success tale of one of his patients' recoveries.

He is practicing in top three state of the art Super Specialty hospitals across Bangalore namely [BGS Global hospital](#), [Sagar Hospital](#) (formerly known as Sagar Apollo Hospital; Jayanagar location) and [Hosmat hospital](#).

Patients seek his care for a variety of issues related to their five senses - *smell, hearing, taste, vision, touch (breathing), and balance.*

He believes in providing improved quality of life.

Dr. Prashanth quotes - "E.N.T. health - ENTry for better senses". He adds that it can be hard to imagine not being able to hear, eat, smell or even sleep properly, also loss of sense of smell & taste can have a big impact on the day to day life & safety for the patients.

He has expertise in treating pain and discomfort caused by infections and inflammations of Ear, nose and throat, Sinusitis, Sinus head ache, allergic rhinitis, snoring in both adults and children, ear pain, deafness, vertigo, tinnitus (noise in the ear), throat pain, tonsillitis, Pharyngitis, voice change, any head & neck cancers, thyroid related problems to name a few. In children, he specializes in curing their snoring issue.

He specializes in performing scar-free Nose, ear and throat surgeries and provides surgical-cure for migraine like headaches, nose blocks, snoring, voice change, goiter and pituitary.

Over the course of his career, he has conducted more than a dozen large-scale medical camps abroad. He is also known for his humanitarian aid. Additionally, he is an inspirational speaker and an icon for many young aspiring E.N.T. doctors.

His aim is to deliver highest quality treatment, improve the overall wellness & lifestyle for his patients, also he strives to reduce or eliminate morbidity due to E.N.T.

So, you want to make sure that when you get your procedure done, you are doing with the best possible person you can with the highest level of training for that procedure. And that person is your doctor, Dr. Prashanth R Reddy.
